Re: DMECS UPDATE

Xref #: **46770670**

Dear Christine Censon:

The Pricing, Data Analysis and Coding (PDAC) contractor has approved your request for a DMECS update. Below is a summary of the changes that will be made to DMECS in the next update:

HCPCS Code	Effective Date	End Date	Manufacturer	Product Name	Model Number
E0676	12/4/2013	12/31/2015	COTHERA LLC	VPULSE CONTROL UNIT	C00001
E0676	12/4/2013	12/31/2015	COTHERA LLC	VPULSE SYSTEM WITH SEQUENTIAL COMPRESSION PAD SET (2X)	C00002
E0676	1/1/2016		BREG INC	VPULSE CONTROL UNIT	C00001
E0676	1/1/2016		BREG INC	VPULSE SYSTEM WITH SEQUENTIAL COMPRESSION PAD SET (2X)	C00002

These changes will be available within ten (10) working days in DMECS, which is located on the PDAC web site, www.dmepdac.com. Please take the time to verify these changes are correctly reflected in DMECS.

The request to add model numbers NOCFPCB 1409-2016 and NOCFPCB 1409F-2016F has been denied as the PDAC has not reviewed this product line which is not currently listed on DMECS. An application will need to be submitted to have these added to DMECS.

If you have any questions, you may contact the PDAC Contact Center at the address listed above or by telephone at (877) 735-1326 between 8:30 a.m. and 4:00 p.m. CT.
